A Holy Community

(Haggai 2:10-19)

Review of Haggai's messages:
First Sermon (1:1-15): Challenge to make God a priority
Second Sermon (2-1-9): Encouragement to continue putting God first

Third Sermon (2:10-19): Blessings for those who have returned to God

- The Past: A community turned away from God (10-14; 17)

- The Future: God's gracious blessing on a community focused on God (15-19)

For further thought:

1. God used difficult circumstances to get the attention of His people who had strayed away from Him. Have your difficulties led you closer or farther from God?

2. Read Matthew 6:25-34. What does it mean to "put God first"? Thinking back on Haggai, how did the remnant of Israel both succeed and fail in giving God the priority in their life/community?
