

The Greatest Christmas Gift

(John 1:12-14)

What is the best gift you could give or receive?

Two aspects of the gift of Jesus that makes him the greatest gift:

1. Jesus restores our true humanity

2. Jesus restores our relationship with our Creator

For Further Reflection:

1. Can you think of ways this world "dehumanizes" people? What has your experience been?

2. Do you agree that Jesus is the greatest gift? Why/why not?
