

## Friends for Life: Building Spiritual Friendships

(John 15:12-14)

A "sincere love" is a love where believers are devoted to one another (Romans 12:9-10). It is characterized as a love...

1. *Without wax*

2. *Without masks*

What is friendship? What does Jesus say?

Three ways to apply the "one another" passages (see handout):

1. Meditate on the verses and passages.

2. Evaluate how present friendships in Christ are doing.

3. Practice them in relationships.

*Greater love has no one than this, that he lay down his life for his friends (John 15:13).*
