

Are you content?

(Hebrews 13:5-6)

Keep your lives free from the love of money and be content with what you have, because God has said, "Never will I leave you; never will I forsake you." (Hebrews 13:5)

For Further Thought:

1. In this time of economic uncertainty, what causes people in your stage of life the most anxiety and fear? Does this general sense of anxiety affect the way you see your life?
2. Think about your personal or your family's financial situation. What aspects of your situation are you satisfied with? Dissatisfied with?
3. How can you practically have a response to financial anxiety or discontentment like the author of Hebrews in 13:5-6?
