

In the Potter's Hands

(Jeremiah 18:1-6)

Three ingredients needed to make beautiful and useful pottery: clay, the wheel, and the potter's hand. Each of these ingredients tells us something of how God works in our lives to transform us into the people He desires us to be.

1. The Clay (1-2)
2. The wheel (3)
3. The Potter's Hands (4-6)

For Further Thought

What life changes and circumstances do you face now that could potentially grow you as a person – intellectually, emotionally, or spiritually?
