Followers of the Way
(Matthew 4:17-25)

There are three choices that people will be confronted with as they consider following Jesus. What are the three choices we are presented with when we hear Jesus' call?

1. The choice to change course ("Repent")

2. The choice to leave things behind ("Come, Follow Me")

3. The choice to adopt a new purpose ("Make you fishers of men")

For Further Thought:

Have you made the choice to follow Jesus? If so, how has your life changed because of that decision?
