

Freedom in Christ

Galatians 5: 1, 13

It is for freedom that Christ has set us free (5:1)

1. Freed by Christ *from*...

2. Freed by Christ *to*...

For Further Reflection:

1. What are some ways people fill in the blank in the following equation: "Christ + _____ = God's Acceptance/Favor". Why is trying to gain salvation by following rules/laws doomed to fail?
2. Agree/Disagree: "Christian Freedom is a gift that has limits and responsibilities." Why?
3. How can you practice Galatians 5:13-14 in your daily life?
