

You are Salt and Light  
(Matthew 5:13-16)  
Speaker: Pastor Howard Chang

1. Salt: Preserving the World (13)

2. Light: Illuminating the Way (14-16)

For Further Thought

1. How does a person come to know their purpose in life? Where does that sense of purpose come from?

2. What are some ways you can influence your world for the better like the salt in Jesus' teaching?

3. Why/When do you think a Christian might hide their faith in Jesus? What does Jesus mean when He says, "Let your light shine before men"?
