

A Higher Love

(Matthew 5:38-48)

Speaker: Rev. Howard Chang

Discussion Question: How do people typically react to those who insult, offend, or show hostility toward them?

Three examples of reflecting God's generous love

1. When you are insulted (38-39)
2. When you are shamed (40)
3. When you are taken advantage of (41-42)

Motivation to love enemies (43-48)

For Further Thought

1. Jesus teaches to love not only our neighbors, but also enemies. What makes this command difficult for you to follow?
2. Think of a person or two whom you have a hard time forgiving or you may consider an enemy. Pray for them each day this coming week.
